

Swine Statistical References - Photo Sites

Author
Palmer J. Holden, Iowa State University

Reviewer
Todd See, North Carolina State University

Introduction

Pictures of pork and agricultural production are often difficult to find. The websites listed in this factsheet contain pictures with no fee attached for their usage. It is requested that credit be given to the sources when using these photos. To go to the websites click on the internet link provided in the third column of the references.

Objectives

- Locate photos of prepared pork entrees
- Locate photos of facilities and environmental and manure management
- Locate photos of breeds of swine and general pork production
- Locate photos of natural resources and conservation
- Locate photos of youth activities with livestock
